- 10.4. DNC - points = number of entries in that day's racing plus 5 points.
- 10.5. For individual Series results - worst score will be excluded after five races have been completed. A boat's two worst scores will be excluded when ten races have been completed.

- 10.6. For Club Series Cup results – the top 5 individual placing's will count for each Club in each regatta (ie 1st place in fleet for the day = 1, 10th place = 10). There must be a result from at least 1 individual from the Open Optimist Fleet and 1 individual in the Green Optimist Fleet and a minimum of 3 Optimist placing in the Club tally. Starling fleet results (Starling Development and Starling Open) will be considered in the Club tally.

If a Club does not have a representative in each of the Optimist Fleets or a total of 5 individual scores/placing's, then a "substitute score" will be added for each missing result. The substitute score for the required Optimist Green or Optimist Open result will be the number of entries in that day's racing plus 1 point for that fleet.
